

A photograph of a light brown horse standing in a large, rectangular tank of water. The horse is wearing a black halter and is being held by blue ropes. The water is rippling around the horse's legs.

EXPLORE CSU SPUR

EQUINE SPORTS MEDICINE

CSU SPUR IS A PLACE FOR
everyone! **ALL ACTIVITIES ARE**
FREE AND OPEN TO THE PUBLIC

DUMB FRIENDS LEAGUE VETERINARY HOSPITAL
1ST/2ND FLOORS

Watch the veterinary team perform surgery on dogs and cats and hear directly from the veterinarians performing the surgeries.

MOCK CLINIC
1ST FLOOR ATRIUM

Students can try their hand at being a veterinarian in the mock clinic – toss on a “Future Vet” lab coat and diagnose and treat our stuffed dogs and cats, so they feel better soon!

TEMPLE GRANDIN EQUINE CENTER
2ND FLOOR VIEWING AREA

Horses living at the Vida building assist with human therapy sessions – get a front-row seat to watch the healing power of the animal-human bond.

EQUINE SPORTS MEDICINE + REHABILITATION
2ND FLOOR NORTH WING

See horses undergo strength conditioning and therapy sessions, including walking on underwater treadmills.

INTERACTIVE KITTEN

EXHIBITS

VIRTUAL REALITY EXPERIENCE

GIANT INTERACTIVE KITTEN

1ST FLOOR ATRIUM

Learn about animal behaviors and how to interact appropriately with cats: approach the kitten in our lobby from the front and it will meow or purr ... approach from behind, and it will growl or hiss.

EXHIBITS

THROUGHOUT VIDA

Educational exhibits surround the Vida building – there are nine exhibits that let visitors explore anything from careers to research, to a day-in-the-life of some of your favorite animals ... can you find them all?

VIRTUAL REALITY

1ST FLOOR LARK BUNTING CLASSROOM

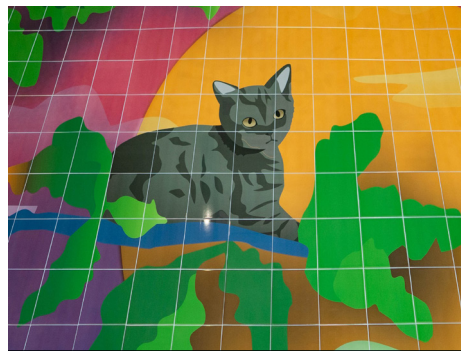

Virtual reality supplements the real-world experiences you'll see at CSU Spur – try on some VR goggles and immerse yourself in science.

ARTWORK

MAIN STAIRCASE/EAST EXTERIOR FACADE

New York Artist Priscila De Carvalho's *Animals at Play* ceramic tile mural occupies the wall near the main stairs in the Vida building.

Houston-based Artists Norman Lee and Shane Allbritton's *Vital Rhythms* use reclaimed woodblocks and equine electrocardiogram (ECG) vital signs at various modes of activity to depict a portrait of a horse.

ART AT SPUR

CSU Spur is free to the public and is open from 9 a.m. to 5 p.m. Monday-Friday and from 10 a.m. to 3 p.m. on the 2nd Saturday of each month. Follow @CSUSpur on social media and visit [CSUSpur.org](https://www.csuspur.org) for the latest information.
